I think that makes sense given how long it will take to get all these letters together and routed for signature.

The deadline is Feb 28. Is this correct?

**Subject:** contact list for tribes receiving generic deadline letter

Hi Omar and Paul,

Attached is the contact list for 11 tribes receiving the generic deadline letter. I have also saved the list on the I: drive at

\\C0808F03EC005\Shar3\30 Day Share\Valois\Dewey  
Burdock\2020TribalConsultation\ConsultationLetters\Generic Deadline Letters

The left column has the name of the tribe from the February 1, 2019 Federal Register Notice. In the next column I used the name of the tribe from their website. Paul, please let us know what tribe name we should use in the letter.

Omar,

You can copy and paste the address blocks into the letter. The names of the TPHOs and Environmental Directors go in the cc list. Email addresses are included for emailing the signed letters.

There are two calls to make to verify info. I highlighted those areas.

I indicated in the right column when the consultation meeting was held. The last three tribes didn't really follow through on requesting consultation. I saved the emails received from these in the same folder as the table, so you can see what happened. I included them in the list to receive letters anyway.

Please let me know if you have any questions or need more info. I need to send phone numbers next for the follow up calls after the letters go out.

Thanks!

*Valois*
